Such statements shall be presented in the form prescribed by the Clerk-Treasurer and shall be designated as the "departmental estimates" and shall be as nearly uniform as possible for the main divisions of all departments.

(2) The Finance Committee and the Village President shall consider such departmental estimates in consultation with the department head and shall then determine the total amount to be recommended in the budget for such department or activity.

Notice of such transfer shall be given by publication within 10 days thereafter in the official Village newspaper.

(6) No money shall be drawn from the Treasury of the Village, nor shall any obligation for the expenditure of money be incurred, except in pursuance of the annual resolution, or of such resolution when changed as authorized by sub. (5) above. At the close of each fiscal year any unencumbered balance of an appropriation shall revert to the general fund and shall be subject to re-appropriation; but appropriations may be made by the Village Board, to be paid out of the income of the current year, in furtherance of improvements or other objects or works which will not be completed within such year, and any such appropriation shall continue in force until the purpose for which it was made shall have been accomplished or abandoned.
