Dear Residents of West Baraboo,

It is a privilege to serve as your Village President, and I'm excited to share some updates on the vibrant spring we have planned for our community. We are embarking on a crucial project to rebuild Shaw Street, enhancing our infrastructure and improving the flow of the village. For recreation, we're adding a new pickleball court at Haskins Park, a fantastic addition for both seasoned players and newcomers to the sport. And for nature enthusiasts, we're updating the trails at the breathtaking Village Forest Park, offering even more opportunities to connect with the beauty of our surroundings. I am also pleased to report the Village of West Baraboo is thriving financially, allowing us to invest in these important initiatives.

As a friendly reminder, please remember to license your pets, including your chickens! This is a crucial part of ensuring responsible pet ownership and contributing to the well-being of our village.

Finally, a heartfelt Thank You to everyone who participated in the recent Village Board elections. Your votes are vital, as the Village Board serves as the ears and voice of this community. We appreciate your engagement and look forward to working together to make West Baraboo an even better place to live.

Sincerely,

Mike Arndt, President - Village of West Baraboo

COMING SOON: TRAILS, HOUSING, AND PICKLEBALL COURTS

Zajak Drive Trail

The Zajak Drive Multi-Use Trail Project adds greater access into the Village Forest Park. Construction began on March 27th and is scheduled for substantial completion by mid-May. The project includes construction of a paved trail along the north side of Zajak Drive, extending from Connie Road to the west end of the recently constructed parking lot for the West Baraboo Village Forest Park. This project received funding through the Wisconsin DNR Recreational Trails Program.

Haskins Park Pickleball Courts

The Haskins Park Pickleball Courts Project is scheduled to begin construction in late April and is scheduled for substantial completion by mid-June. The project includes construction of two pickleball courts within Haskins Park, located between the existing volleyball courts and playground area.

Prairie Hill Village

The Prairie Hill Village housing development is ready for tenants! Prairie Hill Village, located at 1850 W Pine Street, features 10 garden-style residential buildings, offering a total of 120 new apartment units within the Village of West Baraboo. Prospective residents can choose from a variety of 1, 2, and 3-bedroom units, catering to diverse living needs. The first two buildings already have tenants and all 10 buildings should be ready for occupancy by the end of the summer. This development is designed with community and lifestyle in mind, featuring amenities such as pickleball courts, a walking path, a community garden, and a dedicated dog run and dog park. These features aim to provide a vibrant and engaging living environment for all residents.

- Brad Stuczynski, MSA

- **May 17th - September 30**
- Place in a container, with a lid, **in the grass**.
- Weight Limit: 75 lbs./per container
- Paper and plastic bags are not permissible containers.

Board of Review

The Village of West Baraboo contracts with **Accurate Appraisal, LLC**, to provide professional assessment services for our residents and property owners. Accurate Appraisal, LLC, is presently contracted for services that maintain existing property records. They inspect and assess all new construction. Permitted improvements are inspected upon completion, with the assessments adjusted appropriately. All sales are analyzed and visited to ensure the records of the property are correct. Sale property assessments may be adjusted to reflect current condition. Property owners are notified prior to physical inspections being conducted and also when changes are made to their assessed value.

Open Book (Virtual)
Wed. June 11, 2025 | 2PM-4PM
Board of Review
Mon. June 30, 2025 | 6PM-8PM
